### Best Computer

Pentium IV computer with 512 MB Ram, 20 GB hard drive, CD drive, 17" CRT monitor, keyboard, mouse, power cords, licensed Windows XP Pro and MS Office 2003, anti-virus, Java, Flash including all updates and a one year Warranty ..... \$135.00

### English/Spanish Computer

Either of the two computers mentioned about can be purchased as English/Spanish computers where families may speak both languages. We supply decals for the keyboard to make it easier to type in Spanish. When you start in Spanish more the Internet and Office programs are all in Spanish. We include a link to [www.conevyt.org.mx](http://www.conevyt.org.mx) . The Mexican government allows its citizens to obtain grade school and high school diplomas on line for free. The prices are the same.
